Project Director
D-43/1, Shahrah e Ghalib
Lane-3, Block 2, Clifton
Karachi

Dear Project Director,

I am glad to see an advertisement for the post of Deputy Director Technical / Transport Engineer in the newspaper. Being a Civil Engineer who holds an MBA degree, makes me competent candidate for the position.

I have the following capabilities which makes me competent for this job position:

- Executed 06 different on-site projects from initial phase of planning to handing over.
- Reviewed six to ten construction projects daily and allocated labor, equipment, and financial resources proportionately to complete 98% of all projects under budget.
- Communication skills: Being a communication manager at United Energy Pakistan has polished my skills.
- Holds 30+ international certifications from all around the world.

I would like to learn more about this position and how I might assist you. Please call me at 0302-2327947.

Sincerely,

Aqib Saleem
